PRESS RELEASE

Unison Credit Union holiday charity drive an overwhelming success

Unison members donate items to benefit the children of Harbor House

KAUKAUNA — This holiday season, Unison Credit Union partnered with our members to collect donations for the children of Harbor House.

Harbor House offers safety and support for families and individuals in crisis by providing a temporary shelter in a safe environment and assists victims in developing skills for personal independence.

“Although Unison prides itself on supporting the community year-round, we wanted to partner with our members this holiday season to make a big impact and promote awareness of one of the many organizations that helps our community,” says Cheri VerVoort, Unison’s Executive Vice President.

Unison Credit Union collected donations to create *Bedtime Bundles* that included night lights, children’s pajamas, books, slippers, twin-size sheets, stuffed animals, bath towels, shampoo/conditioner and body wash. The bundles were assembled in purple backpacks that the children would be able reuse.

“Our goal was to collect enough items to create 50 bedtime bundles. We exceeded our goal by receiving enough items to create more than 250!” says VerVoort. “And, with overwhelming support from our members, local schools and businesses, Unison was able to reach our goal of contributing $1500 in matching funds.”

Established in 1932, Unison Credit Union now has more than $148 million in assets and a membership of over 20,000. Unison offers a wide range of financial products and services to its members with multiple branch locations and electronic account access. Anyone living or working in Outagamie, Calumet, Brown and Manitowoc counties and the cities and townships of Neenah and Menasha in Winnebago County can enjoy the products and services of Unison Credit Union.
