Unison Credit Union Christmas charity drive an overwhelming success

Unison members donate items to benefit the Community Clothes Closet of the Fox Valley

KAUKAUNA — This Christmas season, Unison Credit Union partnered with its members to collect donations for the Community Clothes Closet.

The Community Clothes Closet, located in Menasha, strives to relieve financial pressures from families by providing free clothing. The money saved from buying clothes can be spent on other necessities of life.

Unison Credit Union collected donations from November 23 – December 15, to create *Snuggle Sacks* that included children's pajamas, books, pillows, and fleece blankets.

"Our goal was to collect 300 items to create the Snuggle Sacks. Thanks to the overwhelming generosity of our members, community and employees we exceeded our goal by receiving over 1,200 items," says Cheri VerVoort, Unison's Executive Vice President. Also, as part of a matching gifts program, Unison promised to give $5 to the Community Clothes Closet for every item donated. The incredible support behind the charity drive helped Unison reach its other goal of contributing $1500.

Established in 1932, Unison Credit Union now has more than $169,514,346.85 million in assets and a membership of over 18,334. Unison offers a wide range of financial products and services to its members with multiple branch locations and electronic account access. Anyone living or working in Outagamie, Calumet, Brown and Manitowoc counties and the cities and townships of Neenah and Menasha in Winnebago County can enjoy the products and services of Unison Credit Union.
