### **KOHLER CREDIT UNION NAMES SUE VANDERMEUSE, VP – INTERNAL AUDIT & RISK MANAGEMENT**

KOHLER, WI – Kohler Credit Union announces the promotion of Sue Vandermeuse to vice president of internal audit and risk management. Vandermeuse will be responsible for moving the credit union toward enterprise-wide risk management; which will help streamline and prioritize how the credit union will control and reduce risk throughout the organization. Since joining Kohler Credit Union in 2010 as director of risk management, Vandermeuse has been instrumental in advancing Kohler Credit Union's Board of Directors internal audit program.

"I really enjoy working at Kohler Credit Union and the challenges and opportunities that we face each and every day," said Vandermeuse. "I look forward to being part of the team that will take our organization to the next level for our members."

Vandermeuse attended NWTC in Green Bay, focusing her studies on financial institutions management, holds a certification as a Credit Union Compliance Expert (CUCE), and has received training in enterprise risk management. She has a strong history of credit union experience, with 30 years in the industry, working in various positions such as branch manager, mortgage lender, and compliance officer.

Vandermeuse has been a credit union chapter officer for 4 years, and has served on the board of directors for the March of Dimes. In her spare time, she enjoys spending time with her family, including her husband of 32 years, and their two daughters and three grandchildren. She also enjoys country music, line dancing, reading and camping.
