Get into the swing of things!

Your personal contribution benefits the Wisconsin Credit Union Legislative Action Fund (WCULAF), credit unions' state-level political action committee (PAC) sponsored by The League. WCULAF supports credit union friendly and strategically important candidates for office.

A financially strong WCULAF enhances credit unions' presence and influence in Madison. WCULAF supports candidates of both political parties, putting aside partisan politics and focusing on what's best for Wisconsin's credit unions. Champions of our Movement can help promote positive credit union legislation, push back regulatory overreach and protect credit unions from bank attacks, or potentially harmful legislation.
