## Food Insecurity in Wisconsin Resources

### [Feeding America - Wisconsin](#)

In Wisconsin, 694,710 people are facing hunger—and of them 202,600 are children.

### [Wisconsin Department of Health Services—Food Support Resources](#)

Here are resources that can help people with getting food.

### [Wisconsin Food Security Project](#)

The Wisconsin Food Security Project provides state and local information about food security and its underlying foundations in Wisconsin. The project promotes food security by empowering planners, policymakers, and local stakeholders to identify strengths, risk factors, and gaps in their communities.

### [No Kid Hungry - Wisconsin](#)

17% of children in Wisconsin live in “food insecure” homes. That phrase may sound mild, but it means that those households don’t have enough food for every family member to lead a healthy life.
