

We are excited to announce our partnership with OnCourse Learning starting in March of 2023. They will be handling all their webinar registrations.

Step-by-Step Guide to OnCourse Learning:

1. Access our partner page: <https://partners.cuwebinars.com/wisconsin-credit-union-league>.
2. Click “Log In” in the upper right-hand corner.
3. Since this is a new partnership, most members will click “Sign Up” and create an account (different from The League website login information).
4. Then you can start browsing and purchasing webinars from the vast OnCourse Learning offerings and on-demand library.
5. All purchased content is accessible in your portal.

To ensure that you receive order confirmation emails and webinar instructions, we’d like to offer a few suggestions. The following steps will help ensure that you receive all information necessary prior to the webinar.

1. Please be sure your email system accepts (and does not reject) mail from the following email address:
 - support@oncourselearning.com

A simple way to do this is to add this address to your contacts folder and “safe senders” list. Please forward this information to your **IT department**, too, so that the webinar information and instructions are not blocked by your firewall or spam filter.

Please refer to the [System Requirements & Best Practices](#) page.

2. All upcoming and on-demand webinars can be found at <https://partners.cuwebinars.com/wisconsin-credit-union-league>. Please use the link within the marketing emails or this direct link to order live or on-demand webinars.
3. Please refer to the FAQs page on our partner site for more: <https://partners.cuwebinars.com/faq?partner=wisconsin-credit-union-league>

For webinar registration questions, please contact support@oncourselearning.com or [866-512-9888](tel:866-512-9888)

We look forward to supporting your training needs for 2023 and into the future.
