Thank you to our Sponsors and System Partners who help make these educational opportunities available.

Get Inspired & Grow Professionally

It's your time to shine. The League offers a wide variety of in-person events and on-demand learning for credit union employees and volunteers.

With over 200 training programs throughout the year, The League strives to support your professional development and ready you for the next steps in your credit union career.

Expand your skill set in frontline operations, build thought and growth strategy, and understand the importance of inclusion and financial wellness. You will also have some fun and grow your network with your Wisconsin credit union colleagues and The League.

We've heard from you that credit union education budgeting takes place long

before our events are open for registration. The chart below will help you advocate for your professional development opportunities with your supervisors. Always feel free to contact Jennifer, Jenny, Katie, or Meghan in the **Education & Training Department** with questions or for more details on any of our events. registration@theleague.coop or 608-640-4040, option 2.

Do you know we have a **Young Professionals Network**?

Anyone 35 and under working at a credit union is eligible and gains you access to YP programming and discounts. Sign up on our website under networks or email registration@theleague.coop.

Have you found the **Event Calendar** on theleague.coop?

Want to add a few letters after your name? Check out our certification programs focused on leadership, financial counseling, and education. Learn more on our website under **Certification Programs** – and start spreading those CU wings!
